Insurance: We will gladly process any standard dental claims for you. It is important to understand that any treatment rendered is done so directly for the patient, and it is the patient or guardian who is ultimately responsible for any and all fees. Payment for the treatment rendered is expected at the time of service. If you have dental insurance, as a courtesy, we will file with the primary insurance carrier only. For any insurance coverage that cannot be verified at time of treatment or for any portion that insurance does not cover, payment is expected at the visit. Account balances over 90 days will be charged interest of 18 % per month. I hereby authorize payment directly to *Crowley & Moore, DDS PLLC* of the group insurance benefits otherwise payable to me.
